CAPABILITY STATEMENT

Putting the Luxury back into cleaning since 2010

COMPANY SUMMARY

Putting the Luxury back into cleaning since 2010

Luxe Clean Group Australia was created to give Brisbane home, business owners and property developers a reliable, responsible and adaptive cleaning service.

As a family business, we're committed to going the extra mile and delivering the same premium standards every time we clean no matter what the project or how big or small the property is.

Our referral rate is amazing! 1 in 2 clients recommends us to their family, friends, and business contacts. Our organic growth is at a staggering 105%.

“

Luxe Clean Group Australia has gone above and beyond in maintaining our commercial property. I am grateful that they always turn up on time and deliver what they promise. I look forward to many years of working relationship with them!

- Michael Sullivan, Commercial Client
